Location: Lucknow, U.P

OBJECTIVE

Dedicated software developer with expertise in Python, Core Java, C, and HTML, aiming to leverage technical and problem-solving skills in creating efficient and innovative solutions. Committed to continuous learning and contributing to dynamic teams to build impactful software applications.

EDUCATION

Goel Institute of Higher Studies Mahavidhyalaya	Lucknow, U. P
Bachelor of Computer Application	August 2023 – July 2025
Intermediate	Lucknow, U. P
U.P Board	July 2022 - July 2023

KEY SKILLS

- **Python:** Proficient in Python programming, including working with loops, functions, and data structures.
- **Core Java:** Strong understanding of Java fundamentals, including object-oriented programming principles.
- **C:** Skilled in C programming for problem-solving and system-level applications.
- **HTML:** Expertise in structuring web pages using HTML with semantic and accessible design..
- **Soft Skills:** Excellent problem-solving and communication skills for seamless collaboration.

CERTIFICATES

Core Java Programming:
Earned proficiency in Core Java concepts, including object-oriented programming, exception handling, and multithreading. Applied these skills to develop functional applications and solve complex coding challenges.

Python Programming :
Gained proficiency in Python programming, covering core concepts such as data structures, functions, object-oriented programming, and error handling. Successfully applied these skills to solve real-world problems and build applications.
